Re: Bid for Property Boarding, Property securing, Debris Removal, Fence Installation and Plaque Installation Services, as needed

### **Addendum #1**

This Addendum sets forth the Q&A for questions received by the CRDA website pursuant to section 1.5 of the Solicitation documents before the Q&A deadline of August 23, 2010 at 2:00 p.m. Any questions received after the deadline will not be entertained.

Q1. In the Scope of Services, 2.0 to 2.6 Does not really mention the Fence Installation. On the Fee Schedule it only lists the Fence as an hourly rate. Would this be a Time and Material Contract for the Fence when and where needed?

A1. The contractor would bill at the hourly rate quoted in its bid for installation labor and material would be reimbursed at cost, or CRDA will purchase the materials separately and have them delivered to the contractor for installation. The CRDA is tax exempt and would provide the contractor with evidence of its tax exempt status to provide to the fencing vendor for sales tax purposes.

**The bidder is responsible to ensure that all changes are incorporated into the original Solicitation. All instructions, terms and conditions of the Contract Documents shall remain unchanged, unless expressly modified.**
