## CRDA'S Atlantic City Community Development Grant Applications Now Available

(Atlantic City, NJ – June 9, 2011) –The Casino Reinvestment Development Authority (CRDA) is pleased to announce the availability of the first round of grant funds totaling \$250,000 through the Atlantic City Community Development Program.

Applications will be available for pickup starting Friday, June 10, at the CRDA offices at 1014 Atlantic Avenue, Atlantic City, NJ or online at [www.njcrda.com](http://www.njcrda.com). Completed applications are due for the first grant round on or before 3:00 PM, Friday, July 29, 2011 at CRDA offices.

The program was designed to offer grant funding to community and governmental entities to implement capital development projects throughout the City of Atlantic City. Projects addressing the following needs will be considered: family development, at risk youth, open space development, recreation, senior services, community facilities, health and nutrition needs and public information/communications.

The funding limit is \$50,000 per application. Applicants must be either a governmental entity or a tax exempt/non-profit organization. The program is not open to private individuals. Approvals will be competitive based on defined criteria.

“This is a great opportunity to assist community organizations by offering funding to projects that have significant community impact for the residents and for the general appearance of the City” stated CRDA Interim Executive Director, Susan Ney Thompson.
